REPORT OF THE TOWN MEETING

March 9, 1972

At a legal meeting of the Inhabitants of Brentwood on the ninth day of March, 1972 the following votes of those present and qualified to vote in Town Affairs were by them in open meeting given in, as follows:

Article 1: A motion was made by Gilbert Tuck and duly seconded that a total budget of \$89,286.06 be passed. An amendment was made by Marvin Diamond and duly seconded that the amount for "Planning and Zoning" be increased to \$600.00. The amendment was duly passed by voice vote and an appropriation of \$89,686.06 to defray town charges was duly passed by voice vote.

Article 2: A motion was made by Irving Cross and duly seconded that the Town vote to authorize the Selectmen to sell and convey a certain parcel of land on Scrabble Rd. An amendment was made by Ilgonis Abers and duly seconded that the vote to authorize the Selectmen to effect a property exchange between the Brentwood Congregational Church Society and the Town of Brentwood. Such exchange to involve the "Town Forest" and the "Helen Sanborn Land" and the Church land now surrounding the Swasey School. The amendment and the main motion were duly passed by voice vote.

Article 3: A motion was made by Norman Smith and duly seconded that a portion of Old Gordon Road be accepted as a Town Road with certain provisions. Passed by voice vote.

Article 4: A motion was made by Russell Mason and duly seconded that the Town indefinitely postpone the question of raising \$11,000.00 for a tax map for the Town of Brentwood. Passed by voice vote.

Article 5: A motion was made by Walter Small and duly seconded to see if the Town would vote to authorize the Selectmen to borrow such sums of money as may be necessary to defray Town Expenses. Passed by voice vote.

Article 6: A motion was made by Al Belanger and duly seconded to see if the Town would vote to raise and appro-

priate the sum of \$500.00 for support of the Portsmouth Mental Health Clinic. Voted in the negative by a standing vote of Yes=35, No=69.

Article 7: A motion was made by Walter Small and duly seconded to raise and appropriate the sum of \$1,430.00 for the Exeter Visiting Nurses' Association. Passed by voice vote as part of the budget in Article 1.

Article 8: A motion was made by James McGean and duly seconded to see if the Town would vote to become a member of the Southeastern New Hampshire Planning Commission. Voted in the negative by voice vote.

Article 9: A motion was made to lay article 9 on the table. Passed by voice vote.

Article 10: A motion was made by John Richmond to see if the Town would raise and appropriate the sum of \$400.00 for the reappraisal of new property, upkeep of inventory cards, etc. The motion was duly seconded and passed by voice vote.

Article 11: A motion was made by Irving Cross and duly seconded to see if the Town would vote to raise and appropriate the sum of \$11,500.00 for costs and expenses of the 1971 property reappraisal. Passed by voice vote. An amendment was made by William Vahey and duly seconded to authorize the Selectmen to make payment to the State of New Hampshire over a two year period. Passed by voice vote.

Article 12: A motion was made by Irving Cross and duly seconded to see if the Town would vote to raise and appropriate the sum of \$300.00 for installation of a Blue Phone Communication system for the Police Department. An amendment was made by Chief Joseph Southwick and duly seconded that the \$300 00 be paid from Police Department funds already voted under Article 1. Amendment passed by voice vote.

Article 13: A motion was made by Marvin Diamond and duly seconded to reject Article 13. Passed by voice vote.

Article 14: A motion was made by James Fralic and duly seconded to see if the Town would vote to authorize the establishment of a capital reserve fund of \$10,000.00 per year for a new fire truck. An amendment was made by James

McGean and duly seconded to see if the Town will vote to authorize the establishment of a reserve fund for the Fire Department for a Fire Truck. The sum of \$2,000.00 to be appropriated this year. The amendment was duly passed by voice vote.

Article 15: A motion was made by James Fralic and duly seconded to see if the Town would vote to raise and appropriate the sum of \$2,500.00 to purchase a tone-alert system for the Fire Department. Passed by a standing vote of Yes=103, No-20.

Article 16: A motion was made by Marvin Diamond and duly seconded to reject Article 16. Passed by voice vote.

Article 17: The meeting adjourned at 10:15 p.m.

LIBRARY REPORT

To the Selectmen and Fellow Citizens of Brentwood:

It is with pleasure I again submit my report for Brentwood Free Public Library. Again I attended the Book Meeting conducted by the State Library with Mrs. Rachel Sanborn, State Library Consultant, and Mrs. Kimball from Bookmobile.

New books, fiction, non-fiction and reference books have been bought this year and a list of these was published in the newspaper. We received several fine books as gifts from Mrs. Agnes Woods.

Due to the 3rd grade of school children going to Exeter, book take out has dropped but adult book take out has increased. Books for special assignments have been received from the State Library, Exeter Office and State Bookmobile. Many books have been taken to patients at the County Home this year.

Respectfully submitted:
FLORENCE CORBETT,
Librarian

POLICE DEPARTMENT REPORT

Honorable Board of Selectmen
Citizens of Brentwood

It is my pleasure to submit my report for the year of 1972.

This past year we have experienced quite a few changes in the department. To begin with, the Chief, Joseph Southwick resigned and I was appointed to finish his term. Charles Pond was promoted to Sergeant and Glen Taylor resigned to accept an appointment with the Fish and Game Department.

Several of the police officers graduated from the Rockingham County Police Training Academy sponsored by the Sheriffs Department. They were George Waitt, James Norton, William Pinkham, Kenneth Cowan, Leigh Dumas and myself.

We have had our share of accidents this past year, fortunately we did not have a fatality on our highways.

I would like to thank the Selectmen and all of the officers on the department for their cooperation in the past year.

The following is a list of the calls made by your Police Department for the year of 1972. A total of 228 calls with 1,231½ man hours were made this year. A break down of the calls is as follows:

Court convictions	112
Motor vehicle	89
Domestic	17
Horse and Dog	35
Breaking and Entering	22
Assist other Police Departments	15
Fire	7
Juvenile	12
Accidents	25
Vandalism	4
Missing Person	3
Miscellaneous	40
Death Messages	3

Respectfully submitted,
GILBERT L. TUCK
Chief of Police

REPORT OF THE FIRE DEPARTMENT

Board of Selectmen
Citizens of Brentwood

The report for the year 1972, accounting for the activities of the Fire Department:

	No. of fires
Building fires	8
Car accident and Fires	3
Grass and brush fires	3
Chimney fires	1
Smoke in building	2
House trailers	2
Air plane crash	15
Miscellaneous calls	10
M.A. to other Towns	10
Fire alarm and sprinkler trouble	6
TOTAL FOR THE YEAR	51
M.A. for Brentwood	5

This year the Department received more calls than at any time in the past record. Thanks to the Ladies on the Red Phone it was used to answer 474 calls this year. 173 hours donated by the men for the repair of trucks plus material, etc. were equal to \$1,546.16 at the current rate of labor and material.

Hours donated by the men, by burning old building and grass plus standing by at the drag races with a truck, brought in the sum of \$388.00 put in fund for new equipment.

A REMINDER TO THE CITIZENS OF BRENTWOOD NEW HAMPSHIRE

From the Brentwood Fire Department

In compliance with the rules and regulations, N.F.P.A. pamphlet no. 31 issued by the N.H. Board of fire control, application for a permit to install oil burning equipment must be made to the fire chief. This may be used as a temporary permit authorizing the installation of oil burner.

After the installation and inspection for compliance with the regulation of N.F.P.A. pamphlet 31 a permit to operate the oil burning equipment will be issued.

Synopsis of New Hampshire Forest Fire Laws and Regulations

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass-burning, garden trash as well as brush burning in clearing operation. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions Fire Permit

Commercial and industrial burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit is on raining days between 9'00 a.m. and 5:00 p.m.

Camp or cooking fires are allowed on your own property on notification of the warden. On anothers property with written permission from owner and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permit are not required in a public camp or picnic grounds where fireplace have been built for this purpose.

Precautions

Always clean a space about any open fire to prevent its spread. Never burn in dry windy weather.

Burn preferably late in the day and check your fires the next day.

In time of high fire danger all permits will be cancelled.

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

2. To see if the Town will vote to appropriate the sum of \$13,000.00 for a Tax Map of the Town of Brentwood and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

3. If the article 2 is voted in the negative: To see if the Town will vote to authorize the establishment of a Capital Reserve Fund for a Tax Map of the Town of Brentwood and if so voted to authorize the Selectmen to withdraw \$4,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for said Capital Reserve Fund.

4. If Article 2 is voted in the negative: To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

<u>Appropriation</u>	<u>Amount</u>
Summer Maintenance	\$4,000.00
Police Department	3,500.00
Fire Department	3,000.00

5. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 said sum to be used to put water and toilet facilities in the Brentwood Public Library, also to re-

paint walls and do over the ceiling. (By request of Mrs. Corbett, Librarian)

6. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 as a grant to the Seacoast Regional Counseling Center.

7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purchase of fire hose for the Fire Department to replace the worn fire hose. (by petition)

8. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to purchase eleven (11) more alerting receivers and batteries for all thirty (30) receivers to further improve the tone alerting system of the Fire Department. (By petition)

9. To see if the Town will vote to raise and appropriate the sum of \$113.58 to rejoin the New Hampshire Municipal Association.

10. To see if the Town will authorize the Selectmen to borrow such sums of money as may be necessary to defray Town expenses, in anticipation of taxes.

11. To see if the Town will vote to authorize the Selectmen to sell and convey a certain parcel of backland situated off Route 111A and known as the Robinson Land. Said land was acquired by Tax Collector's Deed. Said land to be sold by: Private Sale, At Public Auction or by Sealed Bids, as the Selectmen may deem appropriate and for such sum and under such terms as the Selectmen may deem most advisable.

12. To see if the Town will vote to change the method of laying the Tax Collector's Salary, as voted on March 13, 1962, from $\frac{1}{2}$ of 1% of property tax monies collected to \$400.00 per year plus \$1.50 per tax bill.

13. To see if the Town will vote to have all property valuations published, with all abatements indicated, and distributed with the tax bills. (By petition)

14. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 8th day of February, in the year of our Lord nineteen hundred and seventy three.

PLANNING BOARD REPORT

Much of the Planning Board's activities in 1972 were related to the review of nine sub-division applications. Last year's property revaluation, pressure from developers and the general increase in population in our area have been factors that resulted in this large increase in subdivision activity. All but one of these applications was approved.

A significant expense for the Planning Board is the publication of notices for subdivision hearings. To relieve the town's taxpayers of this burden, the Board ammended our Subdivision Regulations to provide for fees of \$5.00 and \$15.00 for preliminary and final hearings respectively.

It is clear to the Board that our present subdivision procedures do not adequately safeguard the town where large subdivisions are involved. On the other hand our procedures are too involved to quickly handle minor subdivision applications. To solve these problems the Board is considering major revisions to our subdivision regulations. The Board will be holding public hearings relative to these changes. We urge everyone to attend these and all regular Board hearings. Our meetings are held at the firehouse hall at 7:30 p.m. on the fourth Wednesday of each month.

As most of you know, many changes were voted in our zoning and building regulations last eyar. Consequently the Board had been authorized to have new regulation booklets printed. These booklets are available at the Town Clerk's office.

The Planning Board budget for 1972 was \$600.00, however actual expenditures was \$646.52. The \$46.52 deficit was the result of the \$282.00 expense incurred in publishing last year's proposed Ordinance changes in the newspapers as required by law. Expenditures for this year's operations were only \$364.52 which includes the printing cost of our new booklets.

Two vacancies on this year's Board were filled by the appointments of Robert Ward and Rev. Richard Chamberlain. There is a current vacancy on the Board and we ask anyone interested in applying for this position to notify the Board

of Selectmen.

The Board of Selectmen have devoted a great deal of time and effort in the past year in enforcing our zoning and building ordinances. The Planning Board stands squarely behind these efforts and urges all of the townspeople to support the Selectmen in the enforcement of our regulations.

The Planning Board would like to express its appreciation to the Fire Department for the use of the firehouse hall for our meetings and hearings.

Respectfully Submitted,
CHARLES H. BALDWIN
Chairman of Planning Board

CIVIL DEFENSE REPORT FOR 1972

To the Board of Selectmen
and Citizens of Brentwood:

I wish to report a very active year for your Civil Defense Unit and its Volunteers. We have responded to 59 emergency calls for the ambulance.

In order to provide you with qualified ambulance attendants we have 12 members who have completed an 81 hour EMT course as well as 8 more members who have received Advanced Red Cross First Aid cards. New equipment necessary for a State license was also purchased.

I would like to thank all those who made donations totaling \$230.00. This money has been used to purchase manuals for the courses attended by the members as well as licensing the ambulance and its attendants.

We have received, without expense for the fire department, a six wheel, all wheel drive, truck. This has been equipped with a 1,000 gallon tank and when completed will be a woods and structural fire truck.

Respectfully submitted,
NORMAN J. BYRNE
Civil Defense Director

Dollars for this purpose. This Article was entered by petition. The motion was voted on and defeated.

Article 4. Mr. Pailes moved and was duly seconded that the School District vote to raise and appropriate the sum of Thirteen Thousand Four Hundred (\$13,400.) Dollars for the purchase of lands surrounding the Swasey Central School, presently owned by the Brentwood Congregational Church; and further to authorize the School Board to enter into agreements and to take such other action as may be necessary to gain title to this land.

At this time the Moderator—Pro—Tem recognized Mr. Irving Cross who made the following statement' "the following agreement concerning ownership of land was reached on March 4th, 1972 between the Trustees of the Brentwood Congregational Church and the Selectmen of the Town of Brentwood.

That the Brentwood Congregational Church would exchange approximately 30 acres of land adjacent to the Swasey Central School for approximately 20 acres of land adjacent to the Brentwood Congregational Church and now owned by the Town of Brentwood. This land was acquired by tax collectors deeds and is known as the "Town Forest" and "The Helen Sanborn Land".

The deed from the Town of Brentwood to the Congregational Church would include the following covenants: That the land the Church sits on and all adjoining land will be treated as one parcel and as such will be tax exempt forever or as long as it remains church property.

The Town of Brentwood will retain one acre more or less for the town shed with the provision that if the Town should ever abandon the shed the land will automatically revert to the Brentwood Congregational Church.

The Town of Brentwood agrees to assume all legal costs."

Mr. Pailes amended the motion and was seconded to raise and appropriate the sum of \$1,000.00 to acquire this land. The amendment was voted in the affirmative.

A second amendment offered by Mr. Russ Mason was made and seconded to allow the School Board to accept the land from the Selectmen. This amendment was voted in the affirmative.

The main motion was then voted upon and was carried.

Article 1. Mr. Pailes moved and was seconded that the that the Brentwood School District vote to construct and equip an addition to the Swasey Central School; and to raise and appropriate a sum not to exceed One Hundred Fifty-one Thousand Four Hundred (\$151,400.00) Dollars for this purpose; and to authorize the School Board to finance this addition by serial bonds or serial notes under the Municipal Finance Act (RSA 33) or by other means; and further to authorize the School Board to spend sums as may accrue from the investment of this money; and to take such other action as may be pertinent hereto.

Mr. Harold Sherman made a motion to amend and was seconded that the words "not less than 10 years" be added to the main motion after the words "to finance this addition."

The amendment was voted on in the affirmative.

The main motion was then discussed at length. Mr. Abers brought up the subject of year round school and Mr. Pailes explained some of the problems year round school would cause at Swasey School if considered at this time.

A motion was then made by Mr. Charles Baldwin and duly seconded to close the debate. This required a two-thirds vote to pass. The motion was voted on in the affirmative.

The polls were then opened for two hours at 9:45 p.m.

Article 2. A motion was made and seconded to table Article 2. This motion was voted upon and carried.

Article 3. A motion was made and seconded to table Article 3. This motion was voted upon and carried.

Article 6. A motion was made by Mr. Pailes and was seconded that the School District vote to approve the operating responsibility for the Rockingham School for Special Children by School Supervisory Union No. 16 effective July 1, 1972, for the purpose of providing educational services for handicapped students in each of the districts of School Supervisory Union No. 16. The total operating costs of the school to be apportioned to the several sending towns on a per pupil basis formula as determined by the Joint Boards of the Union. This motion was voted on in the affirmative.

Article 7. A motion was made and seconded that the salaries of the School Board, the Truant Officer and other officers or agents of the district be accepted as printed in the budget. The motion was voted on and was carried.

Mr. Pailes moved and was seconded that the Auditor's report be accepted as printed in the Town Report. After some discussion Mr. Pailes withdrew his motion.

Mr. Francis Thorsell then made a motion and was seconded by Barbara Northrup that the school report as printed in the Town Report be accepted and that the Superintendent, the Business Administrator and the Teacher's Consultant learn how to spell Swasey (School) correctly. This motion was voted on in the affirmative.

Article 10. Mr. Pailes moved and was seconded that the Building Committee continue in operation for the next school year to give aid and advice to the School Board on the

Educational Needs of the District and any building operations related thereto.

A motion was made by Mr. Abers and was seconded to amend the main motion to change the name of the Building Committee to the Educational Needs Committee. The amendment was voted on in the affirmative. The main motion was then voted upon and was carried.

Mr. Irving Cross moved and was seconded that the School Board appoint a committee to study the problem of transporting high school students provided it would be done at no expense to the town. This motion was voted upon and was defeated.

A motion was made by Barbara Northrup and was duly seconded that a vote of appreciation be given to Viola Brown who has served as School Treasurer for 22 years and would not be filing again this year. Mrs. Brown was accorded a standing ovation by all to thank her for a job well done.

Donald Pailes thanked the Educational Needs Committee for their many long hours of hard work. He also expressed his appreciation and thanks to Barbara Northrup for her valued service to the School Board.

At 11:45 the polls closed and the ballots cast on Article 1 were counted. A two-thirds vote was required to pass Article 1. A total of 195 votes were cast: 116 votes for and 79 votes against. Article 1 was defeated.

Mr. Russ Mason moved and was seconded that the meeting be adjourned. The motion was defeated.

A motion was made and seconded to reconvene the meeting on Saturday (March 11) at 8:00 p.m. The motion was voted on and carried.

Respectfully submitted,
ANNE BALDWIN

March 11, 1972

The School District meeting was reopened by the Moderator at 8:04 p.m.

Mr. Ilgonis Abers made a motion and was seconded that Robert Rules of Order be elected as a guiding procedure. It was pointed out by Francis Thorsell that this meeting was a continuation of the meeting held March 4th, and that Roberts Rules had not been officially elected at the beginning of that meeting. The motion was voted on and defeated.

Richard Hewitt moved and was seconded that Article 1 be reconsidered. Mr. John Stevens asked the School Clerk to record that he did not believe that an article could be reconsidered unless someone who had opposed it made the motion to reconsider. As secret ballots had been used, the Moderator indicated that the motion could be made by anyone.

A presentation was given by Donald Pailes, Chairman of the School Board, demonstrating the need for a school addition. During the presentation he illustrated what the growth factor had been during the past 10 years.

Mrs. Doris Pailes, the school census taker, advised the assembly that the present population at Swasey Central School was 198. She estimated the number of students to be enrolled next September would be 230.

One of the alternatives to building a school addition that the School Board has considered is double sessions. Carolyn Cummings reported that the cost of transportation would increase at least 50% of the current cost of transportation. This would mean an increase of \$7,500 to bus Brentwood students. Other costs such as heating and lighting would also increase.

Ilgonis Abers estimated that he could transport students on a double sessions system at an increased of only 30%.

Other alternatives were offered such as renting space at either the Firehall or the BYO building. Phyllis Pomerleau reported that the cost of using the Firehall, without including rental fee or liability insurance, would be approximately \$4,300.00.

After further discussion a motion was made and seconded to bring the question to a vote. The motion was voted on and carried.

The polls were opened at 9:45 p.m. and remained open until 11:45 p.m. A total of 247 votes were cast, 152 for and 95 against. Article 1 was defeated.

A motion to adjourn was made and seconded. The motion was voted upon in the affirmative. The meeting was adjourned at 12:00 a.m.

ANNE BALDWIN,
School Clerk

Brentwood, New Hampshire
August 11, 1972

The meeting was called to order at 8:10 p.m. The warrant was read by the Moderator Mr. Cunningham.

Article 2. Mr. Jensen made a motion and was seconded that we appropriate the sum of One Hundred Fifty One Thousand, Four Hundred Dollars (\$151,400.) for the purpose of constructing and equipping an addition to the Swasey Central School, and to raise such sum by issuance of serial notes or bonds under and in compliance with the Municipal Finance Act. (N.H. RSA 33) and any amendments thereto, and to authorize the School Board to issue and negotiate such notes or bonds, the discretion of fixing the dates, maturities, denominations, the interest or discount rate, place of payment, form and other details of said notes or bonds and of providing for the sale thereof to be delegated to the School Board as shall be in the best interest of the District.

After much discussion of the main motion, a motion to close debate was made and seconded. This required a two-thirds vote to pass. The motion was voted on and carried.

Article 3. Mr. Jensen moved and was seconded to appropriate the sum of Ten Thousand Dollars (\$10,000.) to provide additional transportation of pupils during the 1972-73 academic year; such additional transportation being required because of double sessions to be held at Swasey Central School. This motion was voted on and was passed.

The polls were opened at 8:40 p.m., and were closed two hours later. There was a total of 219 votes cast, 162 for and 57 votes against Article 2. The article was passed.

The meeting adjourned at 10:55 p.m.

ANNUAL SCHOOL DISTRICT REPORT
Superintendent of Schools
Brentwood, N.H.

The past year was a most significant one for the Brentwood School District with the successful passage of a \$151,400 bond issue for a new school addition in August, 1972.

Following considerable planning by the school board, the contractor, and the educational needs committee, ground was broken for the new facility in late December. The addition will contain six classrooms and a resource center. Provided there are no delays, the facility will be ready by late spring.

The passage of this bond issue will solve a most pressing space need for the school district. Due to the rapid increase of students, it was necessary to rent two classrooms at the School Street School in Exeter. In fact, opening enrollment on September 6, 1972 was 200, an increase of six over opening day a year previously.

Although the educational needs committee previously came into existence during preliminary discussion stages about the new school, the group has been renewed and its scope has been widened. In addition to making recommendations concerning the utilization of the new addition, the committee will be requested to draw up long-term and short-term goals for the Brentwood School District. Development of such goals will help the Board, the administration, and the staff to assess the district's needs, develop objectives, and plan intelligently for the future.

Principal Charles Goyette, in his annual report, noted that the past year has been marked by a gradual adoption of S.U. 16 programs in science and social studies. The science program of the American Association for the Advancement of Science is now being used in grades one and two. Since the program is sequential, kits for each successive grade will be ordered each year until the new program is fully implemented.

Mr. Goyette also noted that as the result of the adoption of the Supervisory Union 16 syllabus in social studies as a guide, the program has been partially implemented in grades two and three. Grade two is involved with "Communities at Home and Abroad" while grade three studies "The City."

Teacher Consultant Frederick King has identified reading improvement as a major priority for the Brentwood School District. As the result of his recommendations to the Board, beginning second semester, grades four, five, and six will be involved in a more detailed reading program, with emphasis on major reading skills. Classes will be re-grouped into four major reading levels, with students tested in advance so that their strengths and weaknesses can be properly assessed. Four teachers and teacher aids will devote four full early morning periods to these classes.

The major objectives will be to improve existing reading scores and to encourage wider reading on the part of students. Also beginning in the fall of 1973, a new language arts program will be adopted in the school, commencing with grade one. This adoption will be continued until the program is in all grades.

One of the major educational developments affecting Brentwood and the other towns making up Supervisory Union 16 was the approval of the S.U. 16 staff development plan by the State Board of Education. As the result of becoming the first supervisory union to participate in the new plan, S.U. 16 will serve as a pilot model for all other New Hampshire school districts.

In the past, educators went about the recertification process through the accumulation of course credits. Sometimes, these credits were part of a special program or degree. However, in many instances they were not geared to a special need of an individual. The staff development plan requires each educator to assess his needs every three years and then develop specific objectives for meeting the recognized needs. A staff development team, with a representative from each town, serves as a steering committee, and approves or disapproves individual programs.

A second development affecting all six S.U. 16 towns was the assumption of the operation and management of the Rockingham School in Exeter. This took on added significance due to passage of legislation making education mandatory for all handicapped children. A Rockingham School Board, made up of a representative from each S.U. 16 town, meets bi-monthly with the school superintendent and the school principal.

The lack of state funds is most obvious in this situation. The operating funds for the school are raised entirely through tuition. The tuition rate for 1973-74 will remain at the current \$1400.00 figure. Hopefully, the school will enroll the sixty pupils needed to meet operating expenses of \$84,000.00 for the 1973-74 school year.

In previous reports, my predecessor has expressed his concern over the financial funding of education in New Hampshire. As stated last year, New Hampshire now ranks 50th in regard to state support of local education. Such decreased state support has led to further financial pressures for the property holder.

Despite pressing financial problems, the staff has continued to perform admirably and the community has supported educational programs. Five months of observation lead the writer to believe that there is an absence of frills in our school; rather, I am impressed by the quality and commitment of teachers and administrators.

Increased enrollment at the AREA Junior and Senior High Schools has been under study by both the Exeter School Board and the Space Needs Committee of Exeter. Brentwood's

representative to the AREA Advisory Committee is also aware of the present large class sizes at the AREA Junior High School and the lack of classroom spaces in certain subject areas at the Senior High School.

If elementary enrollment continues to decline in Exeter, it will be possible to transfer some or all sixth grade classes currently attending the Junior High School to the elementary schools. This would open up needed space at the AREA Junior High School. At the High School, the alternative education plan gives some flexibility, though space is at a premium and a record enrollment is projected by 1975.

Tuition rates for 1973-74 at both the Junior High School and the Senior High School showed little increase. At the Junior High School, the rate increased by just one dollar to \$795.00 while the High School rate went up by \$27.00 to \$1,027.00. The \$27.00 increase at the Senior High School represents the lowest increase in four years.

As the result of increased insurance valuation on both the AREA Junior High School and the AREA Senior High School, the rental rate was recalculated by the Exeter School Board and was approved by the AREA school districts. The tuition rate for 1973-74 as announced by the Exeter School Board and approved by the State Department of Education:

AREA Junior High School

Estimated per pupil costs for 1972-73 \$752.06

Rental charge 42.82

Tuition for 73-74 JHS \$ 794.88 (\$795)

AREA Senior High School

Estimated per pupil costs for 1972-73 \$982.97

Rental charge 43.58

Tuition for 73-74 HS \$ 1,026.55(\$1,027)

In accord with the AREA contract, these estimates per pupil costs for 1972-73 are the basis for determining tuition rates for the 1973-74 school year. As mentioned above, the rental charge is added to complete the tuition cost. These tuition figures for 1973-74 compare most favorably with the state average per pupil costs of \$896 per high school pupil and \$799 per junior high school pupil, exclusive of

rental charge. What makes the local rates more favorable is that the state average is for the 1971–72 school year. Thus, the state costs are two years behind the AREA tuition figure.

Major priorities for the future include the introduction of a career education program for elementary students, increased emphasis on reading at all levels, and the utilization of better planning and management approaches.

There were six staff members new to the Swasey Central School in 1972. Five were replacements and one was an additional teacher to fill a new position. The present staff and their respective assignments are listed below:

Principal and Science	Mr. Charles Goyette
Grade 1	Mrs. Karen Johnson and Miss Pamela Pratt
Grade 2	Mrs. Judith Cassotis and Mrs. Mary Anne Chapman

ANNUAL SCHOOL REPORT **by Mr. Frederick B. King**

Last Spring I submitted to Concord under a Federal Application of Title I ESEA a program to aid children having learning disabilities with a special program. We have received this grant and are underway with the planning of a program.

A learning disability exists when the individual's actual performance or achievement in any given area of school work is found to be far below his capacity or potential. We have many of these pupils in our school. With a special team of

three learning disability specialists on our staff we will identify with the classroom teachers the children who fit the above definition. The primary objectives in helping these children is the identification and the remediation of specific disabilities. We will concentrate on the first three years of the child's school life.

As I have worked in the elementary school of Union 16 I have been aiming toward a higher per cent of school success for all children at the primary level. We introduced transition education a few years back aimed at children of first grade entrance age who needed a different program for a year because of immaturity. These children could not have met success in the first year of school under the regular program. Has this been successful? Recent test results show that children now in grade two that have had transition education are highly successful. 76% of the children who had transition education scored above the National norm in a recent reading test.

We have also been exploring new reading programs. Through a Federal Grant new materials have been tried in selected first and second grade rooms. We are currently analyzing the results of tests and children's performance and we expect to make some major decisions shortly on the kind of reading program that we feel will best suit the needs of our pupils starting school in the fall of 1973.

We will continue to explore and plan for new programs at the elementary level in order to have each child reach his maximum potential. It is my belief that getting children off to a good school start will pay dividends later as these children move into higher levels of education. It is exciting and rewarding to see education change in order to serve more children better. The objectives of the educational setting are clear. Much of my work is to find the means by which all of us together can reach the objectives of educating each child to his potential and making him a good citizen for this community.

1973 REPORT OF THE BUSINESS ADMINISTRATOR

Daniel C. Durgin

This past year has been a most significant one for Supervisory Union No. 16 in terms of changes in certain procedures and personnel.

I will not dwell on personnel changes except to say that we have had a change of personnel in no less than four positions, including the superintendency, since my last report. All of these changes occurred last summer during a very difficult time for our office because of the many year end reports, and it was only through the extreme dedication of our entire staff that we were able to accomplish our duties and meet our deadlines.

In my last report to you I mentioned the impending conversion of our manual payroll procedures to a mechanized process effective July 1, 1972. The conversion was indeed accomplished and I am delighted to report that, with the exception of some minor start up difficulties, the transition was smooth and relatively uncomplicated. The success we have achieved with this new system can be attributed to the fine cooperation we have had from the staff of the Accounting and Data Processing sections of Phillips Exeter Academy whose services we purchase and the dedication of our secretarial and clerical staff, especially payroll clerk Nancy Kucharski.

The duties and responsibilities of the Supervisory Union Office continue to increase necessitating redistribution of work in some cases and creating additional staff needs. This summer the state mandated an entirely new accounting procedure for federal funds which required a considerable number of hours of workshop time on the part of two of our staff members and has added a great deal of time to our bookkeeping process. It is requirements such as the foregoing, although necessary in most cases, exert constant and increasing pressures on central offices.

Space needs committees, building committees and school construction have become familiar fixtures in most school

systems including S.U. No. 16. East Kingston opened their new elementary school this past September (1972) and the staff and students are now enjoying the new facility.

Currently under construction is an addition to the Swasey Central School in Brentwood. Plans call for the new facility to contain six classrooms and a resource center. Demountable walls will be employed in certain areas allowing for flexible utilization of space. We are looking forward to occupancy prior to the close of the 1972-73 school year.

The School District of Kensington has a Building Committee which has been active for the past two years. The committees' proposal for an addition to the Kensington Elementary School was tabled at the 1972 Annual District Meeting and a similar plan will be offered to the voters at the 1973 meeting.

The School Districts of Exeter and Stratham also have study committees actively working in the area of space needs.

REPORT OF SCHOOL NURSE

To the Superintendent of Schools and the School Board of Brentwood:

I respectfully submit the following report of the School Health Program at Swasey Central School for the year 1972.

If children are to get optimum benefit from their elementary school learning experiences they must be healthy. Even though the home has the primary responsibility for the health of children, schools need to maintain strong supportive programs because of the relationship of good health to effective learning. The school health program helps to reinforce what is gained at home and also helps to maintain health for those children who do not receive any health education other than that which they learn at school.

A large portion of the school nurse's time is involved with health appraisal of the school child. The child who is frequently absent because of illness, the child who needs glasses or help with a hearing loss, the emotionally disturbed—"trouble maker", the child who is always a bit tired, the child with learning disabilities, the child who comes to

school hungry--these and others like them are simply not able to learn most effectively.

To help provide this health care routine procedures are carried out each year. All children entering 1st grade are required to have a physical exam and have their immunizations up to date. Each child is weighed and measured in the fall. Vision and hearing screening tests are given to all students with referrals and follow-up tests whenever necessary. Each year a dental program is started for those children in need of dental care. This year it will be held with Dr. Wilfred Pawlak's office in Exeter. A dental education program with film strips, posters, and demonstration will be provided for all 3rd graders. Dr. George Storm provides physical exams on all 4th graders. Dr. George Storm, school physician, is also available as a resource person in implementing health curriculum. Each year the 5th and 6th grade girls are given a program in feminine hygiene. This includes the showing of films and discussions. A first aid program is introduced to all 6th graders in the spring.

There is also referral to other professional services to assess learning and/or emotional and behavioral problems which some children have; the daily health observations of pupils by their teachers and referrals to the nurse when necessary; staff conferences and sharing of information on all children is helping to assure maximum efficiency in the education of the pupils at Swasey School.

This year I am assisting Mr. Goyette in the preparation and planning of a drug study program which will be introduced to the 6th graders in the coming weeks.

The school nurse is available as a resource person to assist the teacher in the use of health materials, to assist in planning and organization of health education classes and to aid in the curriculum development of health classes as well as teaching some units.

Optimal health requires a balance of social, emotional, intellectual and physical well being neglect of these areas may not immediately impair a person's usefulness, but it will lessen his ability to live and achieve a full life in the future. We hope to help each child to achieve these goals.

I have enjoyed my first year at Swasey School. I wish to thank everyone for their kind assistance and cooperation in our strivings to continue and improve the School Health Program.

Respectfully submitted,
JOANNE HARRINGTON
School Nurse
